

WHAT IS FOLLOW?

NextGen Follow is a program that nurtures our student's spiritual growth by instilling a love for people, encouraging them to make positive impacts in their communities, equipping them to live out and share their faith, as well as memorizing scriptures.

Follow NextGen is a free program running on a semester basis (Fall, Winter & Spring) from September to May. Students will be challenged with weekly scripture readings, memorizing verses and learning how to actively live out the Jesus way. Depending on the age of the student, they will be working towards different goals
