

# 2022-2023 OneChurch.to Annual Members Report

---

## Lead Pastor's Report:

This report contains evidence of the faithfulness of God and the fruit that comes from the sacrificial service of so many church members, volunteers, and staff! A church, of course, is just that; a collective of people, formed into a family by God's Spirit to do good works that Jesus has prepared in advance for them to do (Ephesians 2:10).

I am so thankful for this church family that has weathered so much over the last couple of years and has emerged as a healthy, generous and loving community of Jesus followers who share a collective burden for Toronto, Canada and the World!

Over the course of this past year, we moved to a single OneChurch.to fund to better resource our efforts to reach people globally and locally. Thank you for adapting to this proven funding strategy to ensure that our church is healthy for years to come.

Over this past year, I completed a three-month sabbatical that filled my tank and prepared me to lead our church for years to come. I want to thank our Board of Deacons for allowing me to have this study/rest break and for the way they have cared for our staff team and church as a whole.

Finally, I wish to thank our Elders Team, Volunteers and Staff Team for their significant contributions to the welfare of our church and the great mission that has been entrusted to us. As we reflect on the year that was, allow it to fuel future passion to help Torontonians, Canadians and certainly global locations better Know God, Love People and Impact their cities in Jesus name!

Privileged to serve,

**Pastor Jonathan Smith**  
Lead Pastor
