INTRODUCTION

Our NextGen Follow is a program that is designed to help you grow spiritually and become Jesus followers who live out their faith.

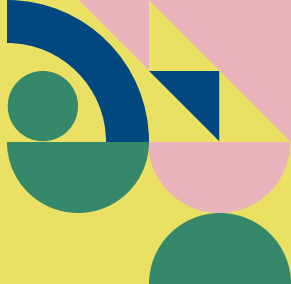

Throughout Follow, our goal is to learn how we can live out our faith in action by loving and caring for others, and making our city a better place.

During the first and third semester, you will have an opportunity to earn collectable cards that are given to you by memorizing weekly bible verses. By the end of this program, you will become confident, compassionate and courageous young individuals who positively influence their communities for Jesus.
