YOUTHX

Winter Semester

This semester we will be focusing on loving people by participating and completing two achievables, as well as looking at and memorizing verses that emphasize and teach us what love is and how to love those around us.

In this program there is a lot of scripture we will be reading. We believe that when we read scripture we need to really take in what God wants to tell us. Throughout Follow, we will be practicing the SOAP method to help us understand scripture.

1 Corinthians 13:4-7

Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance.
