KNOW GOD. LOVE PEOPLE. IMPACT OUR CITY.

2023-2024 OneChurch.to Annual Members Report

Lead Pastors Report

As I reflect on the past ministry year at OneChurch.to, three words resonate deeply with me:

#1. GRATITUDE

My heart overflows with gratitude for each of you who have committed to being a part of the OneChurch.to family. Your dedication to this spiritual community through your time, resources, and support has been remarkable. Together, we are making a profound impact, helping Torontonians Know God, Love People, and Impact Our City! I'm also deeply thankful for the ways God has sustained, resourced, and guided us throughout 2023-2024. His faithfulness is ever-present!

#2. MATURITY

As I look back on this year, the word "maturity" stands out. I've witnessed tremendous growth and maturity within our Staff Team, who continue to develop their gifts while serving our church family with humility and dedication. It's been a blessing to lead alongside our Board of Deacons, who have worked diligently to enhance our effectiveness, accountability, and the health of our systems. It's exciting to see that as our church matures into its mission, our leadership is establishing the right structures to support and protect it. Additionally, our Elders Team has found their rhythm, focusing on prayer, discernment, and the unity of our church. I'm grateful to each of you who have played a role in God's plan to mature His church and reach His creation.

#3. GROWTH

As a church, we are committed to growth that is both deep and wide. We desire to see people grow deeper in their faith and wider in Christ's mission to reach His creation with the gospel. I challenge each of our members to reach for more in 2024-2025. Reach for more of God by participating in the FOLLOW discipleship pathway. Reach for more of God's mission by inviting others to experience His presence in our gatherings, groups, and outreaches throughout the coming year.

Friends, let the successes and lessons of the past year fuel our faith and energy for the year ahead. May we adopt the same focus as the Apostle Paul when he wrote to the church in the first century: *"I press on to reach the end of the race and receive the heavenly prize for which God, through Christ Jesus, is calling us."* - Philippians 3:14
