

2024—2025 OneChurch.to Annual Members Report

Lead Pastor's Report:

The prophet Isaiah penned these words for the children of God when they found themselves in exile, far away from where they felt home was: *"Enlarge the place of your tent, **stretch** your tent curtains wide, **do not hold back**; lengthen your cords, **strengthen** your stakes."* - Isaiah 54:2 He was encouraging them to do things that I believe we did as a church over this past year:

1. **Strengthen Your Stakes:** In other words, clarify your identity, deepen your roots, and anchor your convictions. We spent a significant portion of our weekend gatherings clarifying who we are as a church community, deepening our understanding of the timeless truths of Scripture, and anchoring ourselves to values that remain constant and unaffected by the shifting winds of our culture or the world.

2. **Stretch Your Tent:** We prepared ourselves to widen our welcome in mission - Know God, Love People and Impact Our City - by "Blowing Open the Doors" of our church. We reached further into our community through our food bank, our missional communities, and our community-based programming. What a joy to see people from our community join our church, find Jesus and be baptized in our community! Thank you, OneChurch.to, for getting behind and supporting what God is doing through us in our city!

3. **Do Not Hold Back:** The temptation for churches is to avoid the areas that stretch us or challenge us because stretching and challenging require energy and work that is often painful and difficult. In fact, it's easier to ignore the "signs of the times" and the "cultural moments" than it is to engage with them and challenge them. I am so thankful to be a part of a church that doesn't run away but runs towards the world that Jesus loves.

We've been able to do a lot of this hard work together because you've been "the church!" A community of people who have loved each other, chosen to stay unified and remain a people who have opened up their hands to give and serve so generously!

I couldn't be prouder of our church family!
