

How to Pray

How a follower of Jesus can pray the "SHEMA"

Lord, I Love You with all my **HEART**,
so I Set my feelings by praising & thanking you
for so much good today

I **praise** You for being...
I **thank** You for providing...

I Love You with all my **SOUL**,
so I sacrifice to live today like it matters forever

I love You with all my **MIND**,
so I choose to think of what will bring the best
out of every person & situation I encounter today

I love You with all my **STRENGTH**,
so I put my energies into actions & words
that love people the way You love me
